

The B.E.A.T. Academy

Biomedical Excellence and Academic Training

Thinking of a career in the health professions?

About the program

The BEAT Academy is a one week science educational program for high school students interested in the health sciences.

Students will experience a unique, behind the scenes view of medical and biomedical research including:

- Gross anatomy of the human body
- Hands-on laboratory experiments
- UTHSCSA'S state of the art Sim-Lab
- Lectures from research and medical faculty
- Visits to research labs
- College prep seminars

The program is limited to 25 high school students. Preference will be given to high school juniors and seniors.

Requirements

Must be in good academic standing
Satisfactory conduct grade
Letter of recommendation
A well-written essay
Parental permission
Proof of medical insurance coverage

Dates

July 6-10, 2015
9:00 a.m. - 4:00 p.m.
