TEXTBOOK/RESOURCES

Diversified Health Occupations, 6th Edition, by Louise Simmers

The Medical Assistant, by A. Young and D. Proctor

*Additional information and resources supplied

MATERIALS:

pencils, pens, notebook paper, binder with dividers, and other clinical equipment and uniform components that will be discussed on September 14th during a student/parent/community partner meeting

GRADING CRITERIA

Major Grades 70% (Tests, Presentations, Clinical Site Evaluations)

Minor Grades 30% (Daily Assignments/Clinical timecards, Quizzes)

ATTENDANCE, PARTICIPATION, and ABSENCES

You will be representing CHS and BISD when you are both on campus and rotating through medical facilities in the community in the spring semester. This class must be treated like a job and you must report to class each class day during both semesters in order to prepare for second semester rotations. Missing one class day is the equivalent of missing two blocks of time, and students needing to make up that day will have to make up all the work they missed during the double-block of time.

The second semester rotations will be discussed further on September 14th at our student/parent/community partner meeting.

LATE WORK POLICY

Assignments are due at the beginning of class, unless otherwise stated by the teacher. Grading on late work will be as follows:

- A grade of 85 will be the highest a student can earn if work is turned in by the next school day.
- A grade of 75 will be the highest a student can earn if work is turned in by the next class day.

MAKEUP WORK

It is the responsibility of the student to retrieve class assignments if the student is absent, whether excused or unexcused.

TEXT REMINDERS

Students and parents are encouraged to sign-up for text message reminders/updates. Please use the phone number and text listed below to sign-up to receive text reminders and updates.
